Great People...

When you deal with Townsend Signs your sign is crafted by qualified tradespeople, trained in vinyl applications, traditional signwriting, air brushing, spray painting and digital printing. Because our people have a thorough knowledge of traditional and high tech signwriting techniques you get a truly stunning result, superbly installed.

Great Materials...

From traditional paints to modern vinyls, Townsend Signs source only the best materials. Coupled with our use of advanced technology, your sign is sure to withstand the vagaries of its environment, looking better and lasting longer.

Great Facilities...

Excellence is our benchmark. Townsend Signs' factories, located in Sydney and Melbourne, are fully equipped to cater for your every need. Whether you want digital graphics for indoor display, a hand painted speedboat or a full colour graphic installed on a vehicle we have the facilities to produce results of impeccable quality.

Great Service...

At Townsend Signs, the installation of your sign receives the same scrupulous attention to detail as its creation. We work harder to give you the best possible installation so that your sign looks better than you ever imagined. Our good name depends upon your sign looking sensational.
